

CASS Care Limited Home Ageing Services Home Care Package Fee Schedule

CASS Care has been caring for Australians for over 65 years and is recognised as an approved service provider of aged care. We specialise in supporting people with complex care needs and dementia to remain living independently in their own homes. HCP Pricing information is to give you information that is transparent, understandable, and allows you to exercise your choice in receiving services.

Approximate Home Care Package Amount		Level 1	Level 2	Level 3	Level 4
Home care package funding	Annual	\$9,033.75	\$15,892.1	\$34,580	\$52,421.3
Home care package funding	Per fortnight	\$346.5	\$609.56	\$1,326.36	\$2,010.68

Note: you may be required to make a contribution to the cost of your care by paying an Australian Government Income Tested Care Fee and/or Basic Daily Fee. CASS Care is pleased to negotiate your basic care fee to suit your care need by considering your financial situation. The Home Care Package funding amounts are current as at 1 July 2020. Further information about your contributions is available on My Aged Care.

Package Management

Package management is the ongoing administration and organisational activities associated with ensuring the smooth delivery and management of your Home Care Package. It may include the costs for: preparing monthly statements; managing your package funds; and compliance and quality assurance activities required for Home Care Packages.

Care management

Care management is an essential key component of every Home Care Package. It ensures you receive the appropriate level of support in a way that meets your current and future care needs. It should ensure there is no overlap, over-servicing or mismanagement of services.

Care management may include:

- Reviewing your Home Care Agreement (an Agreement between you, and your provider, detailing the services you will access) and Support Plan (a Plan designed by you and your provider to ensure the services you access help you achieve your goals)
- Coordination and scheduling of services
- Ensuring your care is aligned with other supports
- Providing a point-of-contact for you or your support network
- Ensuring the care you receive is respectful of your culture; &
- Identifying and addressing risks to your safety.
