

Start your career in a rewarding industry Disability, aged care or community care

breakthru Community College has partnered with CASS to support your career in disability, aged care and community care through the accredited course -

Certificate III in Individual Support (CHC33015).

By completing this nationally recognised qualification, you will gain the knowledge and skills to future proof your career in the community sector, such as CASS. This would be a good opportunity to see your eligibility for the “Smart and Skilled” program which is a reform of the NSW vocational education and training system.

DATE

Starting on Monday **21 September 2020**

TIME

Flexible, online learning with live, online classes **every Monday from 9am-12noon** and on-going support from your dedicated Trainer.

COURSE DURATION

From 6 months
(plus 120 hours of work placement)

COURSE FEE

May vary, depending on your eligibility for the NSW “Smart and Skilled” funding.

ELIGIBILITY REQUIREMENTS

- 15 years old and over, and
- No longer at school, and
- Living or working in NSW (or an Aboriginal or Torres Strait Islander person living in specific NSW areas), and
- An Australian citizen, Australian permanent resident, Australian humanitarian visa holder or New Zealand citizen.
