CASS Asquith Residential Aged Care Facility

CASS is a community services provider dedicated to serve the multicultural community. Established in 1981, CASS has been catering to the needs of the aging community through its subsidiary entity, CASS Care Ltd. We provide a comprehensive range of services, including home ageing, respite services, residential aged care and more.

Located in the serene suburb of Asquith, our Residential Aged Care Facility offers a peaceful and welcoming environment for residents. The facility is nestled amidst beautifully landscaped gardens, providing a perfect setting for leisurely walks and relaxation. It contains 97 single rooms with ensuites, ensuring comfort and privacy for each resident. This facility commenced operations in May 2024.

- **97 beds with ensuite**
- **Multicultural food and lifestyle**
- **Luxurious furnishings**
- **Architecturally designed with open space & uplifting elements**
